# Canada Today and Tomorrow

**18 May  
2023**

**Queen's  
University  
Belfast**

(online)

*Canada Today and Tomorrow* gathers together established and emerging international scholars to reflect on a range of dimensions of research on Canada, including themes such as transitions, decolonialisation, pluriculturalism, interculturalism, indigeneity, translations, multilingualism, the environment and migration. Speakers are drawn from a variety of countries, including Ireland, Germany, Portugal and Canada. To register visit our web page:
